**You may call for your order on Sunday**  
**Providing arrangements have been made**  
**in advance.**

## **Announcement**

All prices in this list are F.O.B. our nursery, with packing charges additional. All prices are for stock bare root, except where items are marked B&B. Prices on all narrow leaf evergreens, in field grown sizes, are B&B.

### **CONDITIONS OF SALE**

Terms are net cash unless otherwise agreed on. No claims allowed unless the complaint is made in writing within 10 days after you received the merchandise.

### **GUARANTEE**

We guarantee all stock to be true to label, well graded, and carefully packed. Our liability not to exceed the price originally paid for stock which was not true to name.

### **CAUTION**

If you should receive a package which is crushed or broken, be sure your express agent makes a notation on your receipt. Mail us the receipt, and we will re-ship the order and make claim with the carrier.

If a shipment arrives in freezing weather, do not open it. Put the package un-opened in a cool damp place and let it remain there, until all frost has left the package. Never under any circumstances allow the bare roots to become exposed to freezing temperatures, and also keep the stock away from heat.
